Our January membership meeting will be on Saturday, January 25th. During the meeting there will be nominations and elections for the Local 865 Election Committee. There are 5 positions on the Committee and 3 alternates. Election Committee members will conduct the upcoming elections for UAW Constitutional Convention delegates, 2014's Shop Committee & Executive Board, 2014 Steward elections, and any elections that will take place over the 3 year term.

UAW Local 865 Community Service Committee needs your help!

Many people in the Quad Cities are getting ready to face the upcoming cold weather without the protection of a warm winter coat. You can help make a difference! Our Community Service Committee is currently running a coat drive to collect **clean, reusable coats of all sizes.** The coats they collect will be donated to people that would otherwise go without.

If you have a clean coat that you no longer use hanging in your closet, please consider donating it. Your donations can be dropped off in the Committee Office or at the Union Hall. **Children and adult coats of all sizes are needed.**

Please contact Desmond Hardaway (Department 921) or Josh Saunders (Department 959) with any questions.

Attention!

Long time Local 865 Safety Representative, Dan Pysson, will soon be retiring. There is a contractual process that needs to be followed in order to fill Dan's position. Any active member that has interest in the position of UAW Safety Representative should fill out the questionnaire and turn it back in ASAP. The questionnaire will be located in the Committee Office, at the Union Hall, or request a copy of it from your Steward. You will also be able to download it from our website and Facebook group page.

It is essential that there should be organization of labor. This is an era of organization. Capital organizes and therefore labor must organize.
